Aspen Moderne

Respectfully sited at forest's edge on nearly an acre with aspen in abundance.

Classy and sleek with all the comforts a home should offer these days.

In floor radiant heat, air conditioning. Five bedrooms, five and a half baths including a fully equipped guest residence. Supported with iron beams for sheer strength.

With it's full compliment of open, soaring spaces, exotic finishes and smooth, sophisticated lines nothing even comes close in architectural and design significance.

Offered at \$1,287,900
